Your Alaskan Adventure starts in Fairbanks, Alaska's second-largest city, the hub of Alaska's great interior. After a full day of travel, relax and enjoy your fabulous Princess Riverside Lodge. Unlike many itineraries, you have two nights in Fairbanks to get acclimated to the time change and have a full day to explore. The following morning, you will tour the city and try your hand at panning for gold at the El Dorado Gold Mine, featuring a narrow gauge rail excursion through a permafrost tunnel to an active gold mine. Relax on an afternoon cruise down the Chena and Tanana Rivers aboard "Discovery", an authentic sternwheeler riverboat and discover the beauty of Fairbanks.

To Denali Princess Lodge

Depart for Denali for a two-night stay. The Denali Princess Wilderness Lodge is nestled on a bluff above the Nenana River, looking towards Denali National Park. Enjoy an afternoon at leisure in this awesome lodge and town. The next morning enjoy the Natural History Tour of Denali Park conducted by the Park Service. In the morning the animal as active, the best time to visit the Park.

To The Princess McKinley Lodge

In the morning board the Princess Rails and enjoy a scenic journey through Alaska's lush interior, you'll take in dramatic scenery, including the famous Hurricane Gulch, grand valleys, the lovely Susitna River and the towering peaks of the Alaska Range. Relax in an ULTRA DOME observation lounge while you take in the views from the patented 360-degree windows. Once you step inside the Princess McKinley Wilderness Lodge, your eye is immediately drawn to the majestic shape on the horizon. The 20,320 foot mountain looming over the foothills provides a stunning backdrop to the lodge's picture-perfect setting where you will

experience breathtaking views of Mt. McKinley. To Kenai the most exclusive lodge

Continue on to the Kenai Peninsula, the place where Alaskans go on vacation! The turquoise Kenai River, known for its trophy-sized salmon is a true paradise. You will have an unrushed, two night stay at the Princess Kenai Wilderness Lodge. Your log-cabin style bungalow provides the utmost in comfort including a wood-burning stove and private porch. This is really "roughin it" in the most beautiful part of Alaska. This unique lodge can only host but a few guests compared to the cabins on the ship. It is very important to book early on these special Kenai tours.

Port Whittier and embark on your Ship.

Sightsee by motorcoach to Whittier and board the ISLAND PRINCESS for a cruise of a lifetime! By far the most popular way to explore Alaska is the Land Vacation first followed by a Luxury Cruise. Get settled in and tour your fabulous ship, one of the few with permits to sail through College Fjord. Enjoy gourmet dining or casual buffets, Alaska Cruises are laid back luxury.

College Fjord!

Some of the best glacier viewing in the state can be seen at College Fjord. Tucked into the northwest corner of Prince William Sound, this fjord boasts the world's largest collection of tidewater glaciers - sixteen of them, named after Ivy League college by the Harriman Expedition that discovered them in 1899.

Glaciers, Glorious Glaciers!

The icy wilderness of this spectacular national park and preserve of Glacier Bay, is where you'll experience the mystical world of glaciers and floating ice castles. The National Park Service Rangers come onboard in Glacier Bay to educate you about the spectacular sights you'll see in this National Park and Preserve. Onboard lectures from naturalists shed light on Alaska's history, wildlife and environment.

Great Ports of Call!

Skagway

This port of call is the gold rush town of Skagway. You can still catch the Gold Rush fever as you tour historic Skagway. From the wooden boardwalks and false-fronted buildings to the horsedrawn wagons and townsfolk in period costume.

Juneau

A walk through downtown Juneau will take you past turn-of-the-century residences, museums packed with gold rush history, rustic frontier saloons and hotels, and bustling shops. For adventure, pick from an array of optional excursions including flightseeing over the Ice Fields and rafting on the Mendenhall River. Alaska boasts one of the largest concentrations of wildlife in the northern hemisphere. Juneau is known for Harbor Seals, Bald Eagles and Mountain Goats.

Ketchikan

Built on the site of a Tlingit fishing camp, Ketchikan, has the highest concentration of Native Alaskans than any other city in the state. The name Ketchikan is said to mean "Eagle River" in Tlingit, which describes the tumbling waterfalls on Ketchikan Creek. The world's largest collection of totem poles can be found at Saxman Village.
