Daniel O'Donnell Tours is honored to announce "The Benefit Concert Tour ~ May 14-21, 2015." This will be Daniel's only Concert during his well deserved break from live concert tours. The Tour Highlight will be a Day of Remembrance on May 17th as Daniel performs his "postponed" afternoon concert with an outside celebration on the Main Street in Dungloe near his popular Visitors Centre. The day will be filled with other performers, dancers, fellowship, family and joy in a quaint Irish town close to the O'Donnell's seaside village.

Originally scheduled for May 18, 2014, on that day, the world lost a great lady, an inspiration, mother and friend with the passing of Julia O'Donnell. Her smile, wit, humor, courage, compassion and love for all will be celebrated at Daniel's Benefit Concert!

The tour will feature a comfortable four-night stay in Donegal Town. Along with your "Day of Celebration" in Dungloe, you will love our exclusive "Kincasslagh Experience." A full day in Kincasslagh-by-the-Sea, Daniel's awesome home village where your local guide who grew-up with the O'Donnell's, will take you to St. Mary's Church where Daniel and Majella were married and Julia had her last mass. Also visit the Cope Store where Daniel worked as a wee-lad and enjoy lunch at the Viking House Hotel which Daniel owned for many years. Our last stop will be at the seaside resting place of the Star of the O'Donnell Family.

Then you are off to a two-night stay in exciting Dublin. Daniel has performed here many times filling the best venues in the city. While in Dublin you will have a private guide to show-off the city to you including drives past the major concert venues that Daniel has filled. A night out at the top-rated Traditional Irish Dinner Dance Show will conclude an incredible experience in Daniel O'Donnell's Ireland.

To keep Air Fare Costs as low as possible the tour will start and end in Dublin. Our convenient and value priced pre-tour hotel stay package is available. Pre and post tours are also available to nearby Scotland, England and France.
