Special Spring Events and Destinations for Established Groups

April 17-23, 2016 – 125 Anniversary of **“FIESTA SAN ANTONIO!”** We have been taking groups to “Fiesta” since the mid-80’s and it is an awesome event-filled week. On top of great weather, you have the “River Parade” with illuminated boats, rich oil barons daughters are introduced at the Coronation of the Queen of the Order of the Alamo-\$50,000 dresses are common!, The Battle of the Flowers Parade is more exciting than the Rose Parade and other Fiesta events. We also explore the area with a visit to the famous LBJ Ranch & Western Whitehouse, attend an authentic working cowboy ranch with a chuck-wagon cookout and more Texas sized fun.

May 2016 – **“ISLAND HOPPING THE OUTER BANKS”** Another premier destination that we have visited for years. The Sea Ferry system run by the State is impressive, our motorcoach travels with us as we hop from Cedar Island to Ocracoke Island, a tropical dream destination on the Outer Banks, then on to Cape Hatteras with its wild mustang horses, world famous lighthouse, pirate legends and seashore, it’s a very special trip. We have great waterfront hotels, the best local seafood restaurants, beautiful beaches and weather. www.outerbanks.org/

Try Virgin-Atlantic’s new non-stop service to London where we will stay in one 4-star city centre hotel for the week.
