

Allure of the Seas

January 17-24, 2016  
 Eastern Caribbean & More

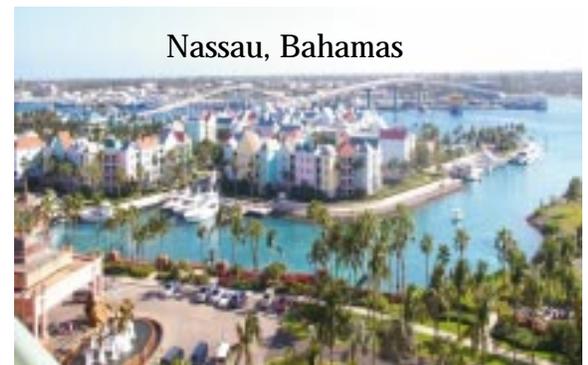

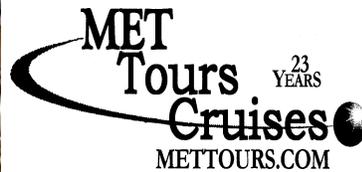

Sail with your Friends and See what all the Excitment is about!

You have seen all the Press Reports of these new Royal Caribbean "Super Ships" and we can tell you that they are awesome. Like no other Cruise Ships in the world, the "Allure of the Seas" and her sister ship, Oasis of the Seas, are equal to the nicest resorts in the world and they travel to exotic and interesting Ports-of-Call.

The ship is open in the middle, which makes it feel like you are in Central Park or strolling down a fancy Boardwalk. The open-air Aqua Theater is the most unique place to see a show along with traditional Broadway shows each night. Dining is awesome, with many choices from traditional to exotic. This is also a Dreamworks Ship.

The date was selected to get away from our hash winters of late. A Pre-cruise hotel package and non-stop group flights on Delta are available to take any worry traveling to the ship.

Cruising is a great value to begin with, all your fabulous meals, exciting nightly entertainment and travel to exotic Ports are all included in one low price. There is something "fun" for all ages and the weather will be perfect.

The cruise line that revolutionized the industry with the FlowRider surf simulator, ice-skating rinks, cantilevered whirlpools, rock climbing walls and the Royal Promenade, an entertainment boulevard stretching nearly the length of the ship, is poised to unveil a range of new attractions and engineering marvels onboard Allure of the Seas. The ultimate expression of Royal Caribbean's legacy of imagination and innovation, Allure of the Seas introduces unique industry "firsts" including a neighborhood concept - seven themed areas providing guests with the opportunity to seek out relevant experiences based on their personal style, preference or mood. Within these seven neighborhoods - Central Park, Boardwalk, the Royal Promenade, Pool and Sports Zone, Vitality at Sea Spa and Fitness Center, Entertainment Place and Youth Zone - are extraordinary elements such as the first park at sea, a thrilling zip line that races diagonally nine-decks above an open-air atrium, an original handcrafted carousel, 28 multilevel urban-style loft suites boasting floor-to-ceiling windows, an aquatic amphitheater - called the Aqua Theater that serves as a pool by day and a dazzling ocean front theater by night; and an array of epicurean innovations that allow for new culinary experiences each day of a guest's cruise vacation.

The Allure is a sight-to-see in every port!
